MSSA RANGE RULES - MAY 2011

Do not put targets over the 2x4 framework; place them away from the edge.

If you bring cardboard or boxes - Take home or put in dumpster. Pick up all spent cases; do not drop misfired 22's on the ground.

All firearms are to be opened and actions checked when taken out of their case.

All firearms are to have their action open and no ammo in any firearm while people are down range.

Do not touch or handle any firearm while people are down range.

No targets with "people like" features (face, eyes, head etc.) are allowed. Standard silhouette targets (NRA, IDPA etc.) only are allowed:
